EDUCATION

LaunchCode, LC101 Programming Course — 2019
University of Missouri - Columbia, B.S. Mathematics Emphasis in Statistics— 2003

PROJECT EXPERIENCE

Local Preschools — Database of Local Preschools
- Web-app to search for local preschools by location, tuition, student-teacher ratio, and hours.
- Java, Springboot, Gradle, Thymeleaf and Bootstrap
- I learned how to use Google Map API and Bootstrap while creating this program.
- https://github.com/katherinehousebrown/preschools

Blogz — LC101 Class Project
- Web-app that allows users to signup, create and read blog posts
- Java, Spring, Thymeleaf and Gradle
- https://github.com/katherinehousebrown/blogz

WORK EXPERIENCE

Household Manager and Nanny, Dawn Trautmann, Saint Louis, August 2008 – November 2011
- Implemented, organized and maintained the household schedule.
- Maintained excellent lines of communication with all members of the household.
- Remained discreet and respected the privacy of the family.
- Taught the parents parenting techniques.
- Nurtured, loved, disciplined and taught 3 to 4 children ages birth to 9 years old.

Volunteer, Seckman Elementary School, Imperial, MO, August 2018 – Present
- Listen to and assist elementary students with their reading.
